

Everybody's Talking: Harry Nilsson

Intro: F Am Dm Am

F Am Dm Am
Everybody's talking at me.

F Am Dm Am
I don't hear a word they're saying,

Gm7 C7 F Am Dm Am
Only the echoes of my mind.

F Am Dm Am
People stopping staring,

F Am Dm Am
I can't see their faces,

Gm7 C7 F Am Dm Am
Only the shadows of their eyes.

CHORUS:

Gm7 C7
I'm going where the sun keeps shining

F Am F7
Thru' the pouring rain,

Gm7 C7 F Am Dm F
Going where the weather suits my clothes,

Gm7 C7
Banking off of the North East wind,

F Am F7
Sailing on summer breeze

Gm7 C7 F Am Dm Am
And skipping over the ocean like a stone.

HUM THE VERSE

REPEAT CHORUS
